“ My sincerest condolences to the family. Daniel 12:2 tells us "there will be many of those asleep in the ground of dust who will wake up, these to indefinitely lasting life." Soon all our loved ones will be resurrected to live in a new paradise earth where death will be no more, neither will pain and suffering. What a wonderful day that will be.

“ I am very sorry to read about Mr. Dunn's accident. I know losing a loved one in death is a difficult thing to go through. However the Bible offers comfort for us when going through times of distress. God promises that he will "deliver the poor one crying for help" (Psalm 72:12). Isn't that such a loving thing? I hope that this scripture and the support of family and friends will help you during this time.

“ Dear Susan, Ashley and Hayden,

I am so sorry to hear of this accident. Rick was a wonderful guy and boss!!!

He had a passion for having fun and truly enjoyed life as well as his wonderful family. I will never forget how much he talked about his kids and their athletic exploits, as well as his love for you Susan. Susan, he always said you were his rock - over and over he said it. I respected him so much for being so vocal about his love and appreciation for you around a bunch of his buddies.

He had a genuine interest in other people's children and was just a great guy.

God bless you Susan and I am praying for you.

I KNOW Rick is now in a better place!
