“ Me and Richard go back many many years. We became friends shortly after getting out of the military and hunted and fished together for years. In the early 70's most everybody had a CB radio in their car or truck. Richard had one and his call sign was Blue Streak because he drove a blue Ford pickup but over time I just called him Streak. He was a dear friend and I will miss him. We pray for God's peace and comfort for dear Barbara and family. Jim & Carolyn Myrick
