“ Ricki Ann was always so bubbly and such an amazing spirited girl. No matter the battle or task in front of her she took it head on. Henslee couldn't have had another Mother better than Ricki, Henslee was hand picked for her! Henslee will always know how much her Mommy loves her. She taught me so many things that I only wish I knew sooner. I could say a million things about Ricki and it still wouldn't be enough. I am so sorry for the loss of someone so great and beautiful as her. I loved her as if she was my own sister. I love you Angel and I always will.

“ I only knew Ricki Ann from the store. When I walked in and saw her, my day always improved. She had a heart that was big enough to love everyone she came in contact with. I truly hope that Henslee will be brought up with stories of how kind and compassionate her mother was. And how very much her mom loved her. I am a better person for having known her. My prayers are with her family and friends. May God give you comfort and peace.

“ I met Ricki Ann at the end of 2012. We hit it off right away and became roommates the summer of 2013. She was such an amazing person to be around! Her smile and laugh was contagious! Ricki Ann was a great mother to her littler girl and my heartbreaks that she will have to grow up without her mom. No doubt though that everyone with express how much she was loved by her mom! Prayers for everyone who knows her! She will be missed tremendously!
