“ *Rob was a great USAF colleague, especially during my time at the Pentagon where we worked in the HQ USAF Regional Plans and Issues (AF/A5XX) -- "Hogs". He was magnanimous to his co-workers and the international personnel that we worked with. [FYI—Magnanimous comes from the Latin magnus "great" and animus "soul," so it literally describes someone who is big-hearted.] He was dedicated to getting the job done professionally -- effectively and efficiently. He had a great sense of humor and helped keep a smile on those he worked with. He will be greatly missed. Condolences to his family and friends. RIP - Rob.*
