“ A man worth remembering in this city as a dedicated family provider in his lifetime. Our family was shocked to hear of his passing and flooded with memories of your family. The position of stability that the Smitherman household represents in this community of believers in Jesus Christ has eternal strength and this passing will raise that standard high.

May the G-d of all comfort embrace each heart and bring peace with joy of a life well lived in the family of our LORD.

“ It was a pleasure to know Bobby for many years at the mill. He was so nice, kind, and friendly. He was wearing a smile every time we crossed paths! Some years back, we were "waving buddies" nearly every day as we passed each other on Jensen Road - he was leaving work around 8:00 a.m. or so and I was coming in to work around 8:00 or so. He will be missed by many. My sympathy to all the family.

“ *So very sorry for the loss of a wonderful man. Bobby was a kind and friendly man that I met working at the paper mill. He was always so kind and thoughtful and always had a smile on his face. I really enjoyed having him for my friend. I know he will be greatly missed and I wish mor people were like Bobby. He was truly a blessing to those of us who knew him. I will always have fond memories of this good and kind man. Sincere condolences from Vicki Sharpe*
