“ We literally just found out about Bob's passing and are SO VERY sorry for your loss. We loved and respected him. I will never forget helping him clean up the land in preparation for the family reunion. He was extremely kind to my kids who were young but were helping - he showed us all around the property and told us interesting stories about the land. He was always there for my mom, Gayle, my family, and me. We will miss him greatly. We love you Judy!! Our prayers are with you and the family.

“ Sending love and sympathy to Judy and the family. I was blessed to work with Bob and Judy when they owned Dunn's Florist, with Bob's office in the back of the same building. He graciously hired our oldest daughter for a few months of transition time in her life. May God give you comfort and peace.

“ *Bob DeBardelaben is the epitome of a Southern gentleman. While he had an incredible work ethic, he showed deep respect and compassion for all people. On my visits to the Montgomery office, he would always take time out of his busy schedule to take me to lunch to one of the favorite nearby spots. I will always remember his genuine spirit, his depth of character, his desire to help others achieve, and his passion for his friends and family. My prayers go with Bob's family and friends for I know his passing leaves a huge gap in their lives. My thoughts will be with you now and in the days to come.*

“ *I worked with Bob for the last three years of his career with GovDeals. I was in Montgomery for his retirement party, which Bob unfortunately missed due to a recent accident. But everyone from GovDeals was there and I had the opportunity to talk to dozens of his employees. I was awed by how many people sincerely loved their job and loved working for GovDeals. In my 35 years working in Human Resources, I've never seen such a happy group of employees.*

We all make our mark upon this world in different ways. One of the ways Bob left his mark was to provide scores of people good jobs with good pay in a respectful workplace. That is an enormous gift. All of us who worked with Bob are forever grateful for the experience.

“ To Bob and his family,

My deepest condolences on your loss. I did not get the pleasure to work with Bob directly, but I know he made a huge impact on LSI with his leadership and innovation. You will be missed Bob!

I recently lost a family member so i know the pain that comes with the loss. But it is important to remember the goodness and happiness that Bob has brought to you. I wish you and your family the best. My prayers are going out to you.

“ We extend our deepest sympathies and prayers to Judy and the DeBardelaben family and know that Bob is in a better place and at peace.

Bob was a great friend, colleague and leader who will be sorely missed.

Bob served his country as a proud member of the US Marine Corps, and was a key reason why Liquidity Services acquired our GovDeals business in 2009.

Bob was a principal architect in the launch and development of our GovDeals marketplace and served as its President from 2004 until his retirement in 2014.

During this time Bob was the heart and soul of GovDeals and helped build a great team of believers and doers in support of the GovDeals mission to bring efficiency and transparency to the way that government agencies managed and sold government surplus. During this time the GovDeals team signed up over 6,000 agency clients who embraced Bob's vision.

Bob's leadership and stewardship were critical in enabling GovDeals to grow in a disciplined, customer focused and cost conscious manner from a start up to market leader in the US and now Canada. An amazing accomplishment for any business.

Bob had great character and was a tireless worker. He loved being with people, especially our colleagues and customers. In fact, it was not uncommon for Bob to check in our customers or even a prospect during his vacation trips—he could not help himself because he enjoyed the GovDeals mission so much.

Bob was an accountant by training and knew how to stretch resources and count expenses literally by the penny which was invaluable during the lean years of growing the GovDeals business.

There was never a job Bob asked someone to do that he wouldn't do himself. He always led by example.

Bob, contributed common sense ideas and good humor to our LSI leadership team discussions. We enjoyed talking business as well as about Auburn football and his family. Bob proudly and ably represented LSI and GovDeals with clients, in the board room and on the playing fields. Bob was a fierce tennis player and golfer who beat opponents half his age (yes, I was one of them).

The best tribute to Bob's success as a leader and executive is that he left GovDeals far better than he found it, and hired a team of amazing, dedicated people that continue to propel the GovDeals mission forward. I can think of no finer way to honor Bob than through the continued growth and success of GovDeals and Liquidity Services at large.

War Eagle my friend. We will miss you dearly.

*With Love,
Bill Angrick

The 1963 Silent Drill Team was a special unit full of special men like Bob Debardelaben. I had the pleasure to serve with him on that Team. Bob, please have the Team in Heaven ready for the kind of performance "Tracks" would expect. All the best to Judy and family members from all of us who had the pleasure to serve with Bob.
