“ Dear Family, I would like to express my sincere condolences at the loss of your dear loved one. Please be assured that your tears are not unnoticed by the Creator of Life. Although your deep pain will not easily disappear, praying to God will bring comfort to you as you grieve. The Bible tells us that God is "healing the broken-hearted ones and is binding up their painful spot (Psalm 147:3). May the "Father of tender mercies" and the "God of all comfort" strengthen your faith and give you courage to face the days ahead (2 Corinthians 1:3). My sincere condolences to the family.

“ I am sorry to hear about Rob's death. He was a good friend of mine during his time here in Tallahassee and my memories of him and the band are one's I will treasure for the rest of my life. He was a good friend to those he loved and shared everything he had with those close to him no matter the time of day or cost.

“ I would like to express my deepest condolences to the family of Robert Luckie who was affectionately known as "Killer" to his friends and bandmates. Roberts exceptional tallent for playing any instrument and his ability to compose music and write lyrics made him the most interesting and productive person that most of his fellow musicians had ever played with. Robert was an excellent friend allways concerned for others. He will be sadly missed. God bless you Robert and your loved ones also to your wonderful mom who I had the pleasure to know. You will be fondly remembered by all you touched. Sincerely, Chris Meagher
