I have known Lewis for 25 years & he was like an uncle to me. Wonderful man and would do anything for anyone no matter what. He helped so many people in so many different ways that he didn't even know he did. He is definitely missed & will forever be in our heart. I am so glad I got the chance to be apart of his life.

“ A wonderful, caring, hard working man is what I'll always remember. Lewis was a big part of my life for the most crucial high school & young adult years, although I didn't do what he advised he always wanted the best for me & made sure to tell me his opinion. I know his family will miss him terribly. I'm thankful I got to meet a man of this stature.

“ Had lots of talks with Lewis over the years. Some about business most about God and the world. One such conversation was last week when he called. Did a lot of work with him, always interesting. Going to miss our conversations. To his family, his work associates and his friends my prayers are with you.

I was as close (or closer) to Lewis as I was with my brothers. This was a man who was a man's man. Loved by almost all who knew him. I worked on many projects with him and will never forget him. I'm going to miss him more than anyone else I ever knew. Rest in peace Lewis. You will be missed forever.
