“ You were the one person who lit up my day, as your barista, and one of your wild elliano's "children" you really were like a mom to a lot of us. You may have not been our Mama by blood, but we all loved you as if you were. You'll be greatly missed. <3

“ Although I never met her, Robin would call to schedule service for our house. We always ended up just taking and laughing so hard. She was such a nice person. Condolences

“ Robin was such sweet and loving lady. She laughed at my jokes and helped me with appointments. Very kind and had great compassion in the health and death of my loved ones. She will be missed greatly. I will continue to pray for the family.
