“ I can still see him greeting us after school when Johnny, Eric and I would walk over to talk to Brother Clark after school from ACHS. He always was excited when we came over. Surely God has a special place for him and he’s celebrating his reunion with Brother and Mrs. Clark. I can still see his smile!

“ Our hearts are saddened to hear about Rogers passing, but we are rejoicing because we know where he is and we will see him again. I have so many fond memories of Roger, he was part of the All God's Children Choir, wonderful memories of trips to Camp Ada and big part of our youth. He could make the piano boogie and he really enjoyed playing it. I can just imagine the homecoming he had when he stepped into Heaven. I know he will be missed by many.

“ Roger was special, one of God’s children. I have great memories of our Sr Adult trips at Byne, his walking the aisle of the bus, interacting with everyone. My love to Moses and family. Elsie

“ I am so sorry to learn of Roger’s passing. I enjoyed very much listening to him play the piano. He played so beautifully. I know his family will miss him very much.
