“ I am so sorry for the loss of your dear loved one. The scriptures give us great comfort in times like these. Psalms 34:18 says “God is close to the brokenhearted. He saves those who are crushed in spirit.” We hope these words help to lessen the pain, while we wait a time on earth where no one will ever mourn again (Rev 21:3&4). “He will wipe out every tear from their eyes and death will be no more, neither mourning nor outcry nor pain be anymore. The former things have passed away.”

“ I will always keep a special memory of Aunt Rhonda in my heart. She raised three beautiful children who I am proud to call my cousins and my friends. Aunt Rhonda will always be remembered as the funny, outspoken, loving person she was. Her personality shines through her daughter Ashley and I'm grateful I got to be part of Rhonda's life. -Taylor Shelton

*I have so many memories of Ronda that choosing just one would be hard...but I will always remember all the talks we had...she would call me when she needed advice or had something on her mind that was bothering her..or just to tell me about something she was excited about or heard in the news...she did love animals for sure..I remember when she got gizzy...she was so happy..about as excited.. as I have ever seen her...she was so proud that she finally got her Yorkie...even if he was mixed...:) Yes she was always calling me telling me how much she wanted one...I remember her talking about her kids..and the things they were doing and what Aunt Vicky and Uncle Lester...Tara and her Jaybug and Lolo was doing...(Jaylynn and Logan)...they called her MeMe and she would light up when she talked about them...She would tell me about her Justin and how he was hunting or fishing...about her Ashley and Wilton and about Ashley bring her flowers for her porch...about Tammy calling her and she was so happy to talk to her Sister..She would tell me she saw Michelle and the kids..and how cute my grandkids were...or she saw another family memeber and what they said or did...She called me in sad times as well as happy...she called and talked to me about her Holly many times...she talked about the old days with PawPaw and MawMaw...She would tell me about Donald and his job...what she was cooking...just simple things...but I will always keep those memories tucked away in my heart and mind....We shared secrets and thoughts...I will miss hearing from her...I know I will reach for my phone and remember she gone...but even though some memories will be sad...I have many memories of her laughing and telling me things....RIP baby...you are finally home..Hugs and kisses...I love you bunches and bunches...Love Aunt Cindy and Uncle Rocky <3*

“ Ronda was my friend for many years ..our children grew up together and I will always cherish the friendship we had for all the years we shared.

I will miss her dearly, but I know she is at TRUE peace now as she is with her Creator and her beloved daughter Hollie. God will take very good care of her now and she will NEVER be sick again. I take comfort in this ..I'll see you again one day my dear friend Ronda❤️
