“Ronnie was a wonderful man. My mama Sara Lamb Jackson was their first cousin and she loved Ronnie , Donnie and Joe so much. I can only imagine the family reunion that is going on up in heaven right now. My heart breaks for the family but my heart beams for the angels in heaven.

“I worked with Ronnie at the Revenue Dept. for about 19 years. He was my supervisor. He was one of a kind and was a gentle, tender hearted fella. He also had a dry sense of humor. We sat at the console area in the computer room. Sometime we would have serious conversations and if he said anything about his Mom, he would always tear up. Most of the time we would have lighthearted conversation or much hard laughter with the other employees. Ronnie loved the Lord. One day when I sat down beside him to work on something he looked at me and so sweetly said "Laura, I have rededicated my life to the Lord". I hugged him and we shared a smile as I told him how wonderful that was and that even though we fall short of the grace of God, he still forgives us because we are Christians, and that it takes a totally honest Christian to do that. He's with his family now. He will be terribly missed by many. My heart goes out to Ann and his daughter Michelle. I know how much she loved him and boy did he love her. We can rejoice because Ronnie is at peace now and with our Lord and Saviour Jesus Christ. God bless his precious soul. I'll miss you RD.

“ I have so many wonderful, loving memories of my Uncle Runk. He was one of the best. About a month after my Daddy (his identical twin) passed, I was headed to the store when I had an overwhelming need to see my Daddy. I drove all the way to Prattville, crying, showed up at Uncle Runk's door. When he opened the door, saw me upset, I told him I needed to see my Daddy & he was the closest I had. Uncle Runk opened his arms & hugged me just like my Daddy would have. I miss those hugs.

Ronnie was always there for his family. I will miss our talks and memories of the past family loved ones. Thank you and Ann for making sure that I met Joe and the 42 years we shared before his death.

Ronnie always had a smile when I would run into him. Met him when we lived in the same neighborhood many years ago. Great neighbor and friend. My heart goes out to his daughter, Michelle.

*Ronnie was my cousin on my mother Edna Driggers Bryant side. I believe he and Donnie was the first set of twins I ever saw as a little girl. It was neat. I am so sorry to hear of his passing. But I know there is a celebration going on in Heaven. RIP Mr. Ronnie say hello to all our family up there. ❤️🙏❤️🙏*

*“Driggers” that’s what I called him. He was a giant of a man. The best friend a person could ever ask for. There was just something special about him, you could feel the warmth radiating from him when he talked to you. I first met Driggers at the Revenue Department as he worked across the hall from me. When I began supervising a night shift, Ann was one of our data entry operators. Driggers took a liking to her. They had one date and just didn’t hit it off. A year or so later I played Cupid and they started dating once more. This time it was for real. Driggers was so happy. He gave me credit for their marriage and later for their precious daughter, Michelle. To know Driggers was to love him. And I did. He will be truly missed but I’m so happy he knew his Heavenly Father and is forever resting in His arms.*
