“ To the family of Ms. Little, I am saddened to read of the loss of your dear loved one, please accept my condolences during this painful time. Losing a loved one is painful and as much as it hurts, remember the great memories you shared. Soon all death and pain will be gone forever- Isaiah 25:8. It is my hope you find the strength to endure during the days ahead.

“ My Aunt Ruby was a prankster. She love to pull jokes on my sister and me. There was a time we were spending the night with her .She had went to bed in the middle of the night she shine a flash light at the wall where we slept. My sister Melba woke me up she said Judy she said she saw a light she says I think Aunt Ruby has gone to be with the angels. I said let's go see we get to her bedroom door Melba pushed me in there. And Aunt Ruby starts laughing. We said you scare us. Love you Aunt Ruby. Memories made .
