Rush and I were in the National Guard together for many years. I got to know him rather well and he was a wonderful man and a fine soldier that could always be depended on. I've always regarded him highest degree. After retirement I saw him occasionally at the Verizon store. I'm saddened to know of his passing.

“ *Russ and I did go fishing together several times. We were fishing in Ramer AL and he caught a large bass. It was a slow day and it was nice that someone caught a nice one.*
