“ I am sorry for your loss, you have our condolences. Mrs. Pierce lived a long time which is a blessing for those who knew her. It wasn't our Creator, Jehovah God purpose for humankind to live 70 or 80 years and then move on to another realm, he wanted mankind to live right here on earth in paradise (Genesis 1:26-28). By means of Christ Jesus, God will bring our earth back to a paradise and all those who are in God's memory who have fallen asleep in death will be resurrected back to life to enjoy living without the fear of getting sick, growing old and dying. (Isaiah 65:17-25; John 5:28,29 and Revelation 21:3,4)

“ I have not seen your mother for several years, but she was still a beautiful woman the last time I saw her. Even though you will miss her, you were blessed to have her for so many years. You and your family are in our prayers.
