“ *My grand father is and will always be the best person I have ever known. My grandfather helped craft me into the person I am today. He always believed in helping people, he always said "See a need, fill a need." I know that everyone in our family misses him dearly, I know that I sure do. Its hard to know that he's no longer with us. And I will cherish all of the time I was able to spend with him. I miss him and I love him.*

“ To the family , with deepest sympathy, Sammy and I grew up together, he lived at the top of Saratoga Drive and I lived at the bottom. We spent a lot of time together and worked together at the theatre He worked at the Shadyside Drive in and I worked at the Carrol Theatre I have a lot of fond memories of us growing up, visiting in his home getting into mischief and just being friends. I tried to stay in touch over the years. I will miss him myself but words cannot express the heartache I know you are going through I will not be able to attend the Funeral but I talked with my Brother Roy, who lives in Montgomery and he plans to be there. “ To Stephanie Carrozza and her family. Just a simple note to let you know that there are plenty of "co-workers" who also consider you a friend and are praying for you at this time. May the peace of God, which passeth all understanding, keep your hearts and minds, through Christ Jesus.
