“ Miss Sandra was my GE teacher at Camellia for many years. I told her one time when I was a little girl that I wanted to be a missionary to Brazil. As I got older and would run into her, she would remind me of what I said and asked me if I went. I finally went a few years back and never got the opportunity to tell her. Many souls came to the Lord on that trip and I would not have experienced seeing the Lord work like that had it not been for Miss Sandra encouraging me. I told her story when I was in Brazil to a group of children. She truly was a blessing to me! Can't wait to see her again one day. I'm so sorry for your loss! Deirdre (Toxey) Denning
