“ Sandy you will be beyond missed this doesn't even seem real . You were such an amazing woman . You were a second mother to me and I am truly blessed to have gotten to have you in my life. My mind and heart is torn apart but I know you are in heaven rejoicing. Our home will never be the same without you . I am going to miss our talks and our time together. We have cried together, laughed together , and had a bond that will never be broken . You had a heart of gold and God has truly gained a treasure. Rest In Peace my beautiful mother in law .
