“ You were my dear friend at Drs. Lincoln and Lochte. We lost touch. You were amazingly kind to me and taught me so much.

“ I first met Sandy in St. Magaret's hospital. A long time ago. I remember my dad introducing me to her. He was her father's (Otis) first cousin. I touched base with Sandy over the years. I liked her very much and will miss her. She and I were just 1year apart in age. Very sad!!
