“ To the family of Sara Thompson. Your mom was such a sweet lady, I will miss seeing her sweet face when I go into Greensprings to visit with Ron's stepmom. She always asked how our Sarah was and the last time I saw her was at the Valentines Party and she had me roll Sarah over so she could speak to her. My prayers are with all of your family. May God wrap his arms around each of you.

“ I send my condolences to the family of Sara Thompson. I knew her to always be a most kind and thoughtful person who loved and appreciated her family. I knew her best when she and Leon lived in Prattville and S.A. and I lived in Montgomery. We got to visit one another often during those years. Also, she and Leon visited us several times after we moved to Atlanta. Again, we would see her and Leon at the Thompson Family Reunions in Greenville. You all feel sad today, but the time will come when you remember only the happy and joyful times that you shared with her. This will be especially true for her grandchildren. My thoughts and prayers are with you all today.
