“ *The world has lost a great person and artist. I only met him a handful of times but he was always a joy to be around. I had a vision for my 8 yr cancer free tatt and tried to explain it to him. He brought my vision to life. He told me that a Tatt Artist knows what looks best on a person than they do. I knew then what an amazing artist he was.*

*He will be truly missed by our whole town.*

*My prayers are with his family and friends at this time.*
