“ My thoughts and prayers go out to the family I know all to well what it is like to loose a loved one.In such a short time I became very close to Sharon,it was hard not to she had a way about her that just drew you in. She was a very special lady and this world is a little less brighter without Sharon in it. I will greatly miss her and her beautiful smiling face. Until we meet again love ya girl.

“ Sharon, you will always be in our hearts at P.A.H.S. and we will always love you. You took such tender care of the animals, and were a hard worker for them. I believe I speak on behalf of all our staff when I say you were a wonderful woman who was always smiling, and was helpful to anyone who came through the doors. We hope to have something made in your honor soon. Thank you for being a wonderful animal advocate, and for being such an amazing and wonderful friend. You listened to me without judgement, and always told me if I needed to improve on something. I pray I can make you proud at work. You will always be with our "shelter family". One Love- For Sharon. We will come together, comfort eachother, and continue to help all of the animals as you would want us to. Love you so SO very much...will always be missing you.
