“ Anne, I am so very sorry to find this news here on the computer. I guess I didn't realize she had been sick. Your family has gone through so much over the past several years!! I think about you often but haven't left my own world to check on anyone else's. Please accept my apologies for that!! I know Sherri is happy where she is--no more sickness, no pain and she is with maw maw and paw paw--I can just picture the reunion they had!! Please know that we will pray for you and the rest of the family! May God truly wrap His loving arms around you and give you all of the peace and comfort that you need at this moment and the needs to fill your lonely moments. Know that we love you and think of you often!!!

“ *My heart breaks for the Oberdeen family. May Sherri rest in peace and be remembered for the sweet soul that she was. It just doesn't seem fair.*

“ *I am happy to have known Sherri. She was a beautiful person inside and out. It seemed as though Sherri loved everyone and she could always find the good in people. The art work that Sherri and Ann did will remind us of how talented Sherri was. I still have a sweatshirt that Sherri made with her cousin Sean when he was in kindergarten. The shirt has Sean's hand prints and the words "I Love Daddy" on it; Sean is now 17. Now I'll look at that shirt with new eyes; was this shirt art or was Sherri teaching Sean the importance of loving his family? We will miss you Sherri, Uncle Stuart, Aunt April, and your cousin Sean.*
