“ *In one's lifetime it's a true treasure to have friends from your youth. Shirley was one of mine with a heart of gold, and oh how she loved her four legged babies. I will always be grateful for that friendship and will love your Samba with all my heart, so glad to have spent my time with her laughing and crying, she would tell me don't cry for me I so excited to see My family. Love you Shirley* 💕💕💕

A more evil person on this earth good not be found! She was the most vial and inhumane person that I've ever crossed paths with.
