“ Her love for God and all people that she came in contact with would always be glowing in her face and actions. I met her at my work at the Autauga County Extension office while she volunteered for the Master Gardeners. On the days she would be here, there was never a dull moment! What a true lady she was. I will never forget this wonderful person!

“ I join the multitude of others in paying tribute to the life of Shirlie, her boundless enthusiasm, dedication to so many very worthy causes, exuberance and faith. In particular, I send heartfelt condolences as President of Montgomery's Friendship Force chapter on behalf of Friendship Force for whom she dedicated so much incredibly superlative and eternally meaningful time and effort. As Craig Cornwell said so meaningfully, Shirlie was a "force of nature" abounding in service and faith. I have been inestimably and eternally blessed by my friendship with Shirlie, and will continue to hold her awesome gifts of friendship throughout my lifetime here on earth until I join her in the life to come.

“ I am sad to here that my friend Shirlie lost her fight to cancer. Shirlie and my mother, Marjorie Campbell Lindsay, were childhood friends and roommates at Holmes Jr. College. She was there for my family when my father past away in 2005. She always had the best interest of others in her heart. I know we will all see Shirlie again. I still have her business card and my mother has a magnate on her refrigerator that says "Shirlie Jensen, ambassador for Jesus". We will miss our friend but I know we will see her again because I know she believed Jesus Christ was her savior.....she told me on numerous occasions.

My soul is exceeding sorrowful, and crying, because gone from the life is a wonderful, intelligent,good Shirlie Jensen. She was my friend, and I am grateful to fate that I met such a person with a wonderful, extraordinary soul. It is a pity I did not have time again with her. The memory of the lady Shirlie will be in my heart. Her light memory, and let the kindness of her heart will always remain with us. For me it is very sad and bitter loss. Sincere condolences to all the relatives and friends. Yes, would be the eternal light and peace. If I am in the USA, I would surely pay my respects.

I think this message would be the same from everyone who came to Montgomery as part of Friendship Force / Open World.

“ *Shirlie has been a supporter of the AIM program since its beginning 25 years ago, and when she retired from The Department of Corrections, she never forgot the mothers in prison and their little ones. She was an incredible woman with a big and generous heart. I will always remember coming out of the visitation with the children and seeing her standing at the gate with bags and bags of fluffy teddy bears and assorted animals with a big smile on her face. The kids just went crazy over them--and I think she may have enjoyed it as much as the children. Her ministry brought so much comfort to our children and has had such a lasting impact on us. We at AIM will truly miss her, and our thoughts and prayers are with Chuck and all of her children and family.*

“ *When I first started working for the Autauga Co. Ext. Office, I met Shirlie. She welcomed me with open arms, a kind spirit, knowledge, and a vibrant personality. I enjoyed being around her. She was always smiling and would make you laugh all day. Shirlie was also a dedicated volunteer for Autauga Co. Extension Office, lending a hand here and there. She will always be remembered as a joyous, lovable woman. I will greatly miss her.*
