“ I'm tiffany Shugars granddaughter. I just wanted to say I remember all the long talks we had and the good laughs we shared when we would joke around. I remember when you would sneak up on granny and tickle the back of her neck and make her shiver that always made me laugh. I remember when I was a bad teenager and I would have to sneak out of the house and play American ninja warrior trying to get past the alarm system and plastic mat in the hallway and I would come back to getting caught by you and hear the lecturing of a lifetime and the next thing I knew you nailed all my windows shut. I remember when you would go to sleep on the toilet and knowing that I had to get up and get ready for school and my mom had to get ready for work and we had to get granny to go in there to wake you up. I love you papa and go rest high with the mighty king of all I can't wait to see you again love tiffany
