“ *Sonia an I met at Calvary Nondenominational Church in Grand Rapids , Michigan. We were very close friends. We met at church for Sunday school then went to the church service then lunch afterwards nearly every Sunday. We both liked to dance so we went to many singles dances together on Fridays and Saturday nights. I miss my dear friend. She needed to move down to Alabama to be with her family a few years ago. Now I don't have anybody to kick around with anymore but now she can dance in heaven and enjoy yourself. Praise The Lord. Enjoy yourself Sonia with your husband that you loved dearly and your grandson and all of your family That's there with you. Enjoy.*
