“ *I just heard about Star today and I want to say how sorry I am. We went to college together and it was probably one of the funnest times of my life. She was such a good friend to me. She came to visit me in Ky. when Crystal was about 10 and we exchanged letters a couple of times after that and then we just kind of lost track of each other. I will miss her. She was my best friend in college and when she moved away I never had another friend like her. I am so sorry for your loss. May God keep you in his care.*

“ *"The measure of a life, after all, is not it's Duration,... But it's Donation..."*

*Farewell my dear friend Star. I've known and loved you dearly for the past 28 +/- years, and we've seen each other through many of life's ups and downs; always encouraging each other in the Lord and upholding one another in prayer. And although it's hard to say goodbye; I have the blessed assurance that we will see each other again in Heaven one day;...save me a place beside you on the banks of that beautiful crystal blue sea there, will ya? :-) Hey, you remember how we both loved and used to sing that song together..." And friends are friends forever,...when the Lord's the LORD of them..."?...Well, it's been ringing thru my head all this week, and brought back sweet memories of you, which I'll continue to cherish until we meet again. You have left a legacy of love and Faith in God and lasting friendship upon my heart, which I'll play forward in your honor and memory my dear friend.*

“ *We are truly saddened for the lose of this incredible and beautiful woman. Star is the mother of our loving daughter in law, Crystal Lahmer. She was doting and loving for her family and we were all blessed to have the privilege to include her as part of the family. She was joyful and always welcome and will be sorely missed, but never forgotten. Our hearts grieve for her untimely loss and May Gods love and warm embrace gather and remain with the family, for Star will always be there, in our hearts and theirs.*

*Star and I met many years ago when we worked together at Walmart....we were both young at the time...I don't think her daughter was born yet...or even that she was married yet...that's how many years its been...I was a Wooten back then...and my daughter was very young...we became good friends..and stayed in touch for many years...I lost touch with Star after her son was born....but I thought of her often....I was so sadden and heart broken to hear of her passing...she will truly be missed...My thoughts and prayers are with her family and her friends....I am so sorry for your loss...and pray you find comfort that she is in a wonderful place...and you will see her again one day....I will forever remember my friend and all the silly things we did...Good bye my old friend....*
