“ *Memories of Stevie are always of him smiling. When we joined Amy and Jamie for birthday parties for our grands Stevie was always there with his big smiles! He would join in with the younger kids in all the play "watching out for the little ones" but he always had as much fun as they did! When there was a jump house for the little ones he was right in the middle bouncing the little kids into the walls! We will miss his sweet smile and love for his cousins.*

*Time passes and kids grow up and go their separate ways, but as a parent I cherish all the memories of them during their school days. The people they met, friends and people they played ball with. Steve was a great coach and my boys got to play ball with Stevie and the rest of the great kids!! We are deeply saddened by the loss of your son and you have and will be and remain in our thoughts and prayers in the coming days. May God send a comfort as only He can send into your hearts.
