“ *We first meant sue and Jerry at calvary baptist church in virginia..he was working doing taxes on Wednesday evenings so she would drive to our apartment for a ride ti church, we in turn coming home from church would take the parking spot she was leaving to be able to have a spot..parking was limited so this was a big help to us. We did this for several months.they were sweet people..she's with her sweetheart now. She loved him so.*
