“ Dear Family,

The grief that is felt when we lose a loved one may seem unbearable. At such times, we can go to God's word for comfort. God too feels hurt when an individual dies. That is why the encouragement found at Revelation 21:4 assure us that "He will remove sorrow and death will be no more." According to this scripture, there will come a time when those we have lost to death will be brought back by means of a resurrection by the Almighty God. May the family find the comfort that God makes available to all persons
