“ *I worked with Sue in Bonham when she and I were both nurse managers. She was absolutely one of the best nurses I've every worked with. She was a terrific nurse to have at your side an emergency and would always help anyone who needed it. No matter where you were with Sue, you would have a good time with lots of laughs. My heart goes out to her family. Barbara*

“ Amanda, Kelly and Justin, Oh how we loved your Mama, and loved to hear her laugh and talk. We miss the days of living around the corner from your parents and watching you kids all grow up together and wait to see what you could get into next. We are deeply saddened by Sue's passing and please know that our thoughts and prayers are with you all. I know Dylan was probably waiting to meet her at the gate! We love you all and wish we could be with you in this most difficult time. Love each other, you will need each other.
