“ *Sybil was such a sweet lady to me. She was so funny and such a character. I will miss our long talks on the phone and chatting with her. We both had life threatening illnesses and it was she who lifted me when I couldn't lift myself with her good humor about illness. I will miss this sweet lady and a my Bama Buddy.* ”

“ *Though I did not personally know Mrs. Maynor, I want to express my deepest sympathy to her family. No doubt the loss of such a dear loved one will be felt by many. Long ago the faithful man job asked if an able-bodied man died could he live again. The comforting answer is yes. Our God the Creator yearns to bring back to life those who have died. (Job 14:13-15) May this and other promises recorded in God's Word the Bible continue to comfort your family in this critical time.* ”
