

Tammy Ann Hall

September 3, 1961 - October 9, 2022

Tammy Ann Hall, passed away peacefully at her home in Millbrook, AL. on October 9th, 2022 at 7am, surrounded by friends and family.

Tammy was preceded in death by her Step-father, Richard Holmes; Grandchild, Shaun Brodie; and her Son-in-law, Dustin Knight.

Tammy is survived by her four children, Tracy Frith (Phillip); Trisha Knight (Dustin); Michael Ford and Richard Ford: Her parents, Barbara Holmes (Richard), and Danny Martin: Her eight Grandchildren, Ethan Frith; April Frith; Hailey Brodie; Tyler Knight; Briegh Mitchell; Corin Ford; Ava Boissonneau and Noah Boissonneau.

On September 3rd, 1961 Tammy was born to Barbara Williamson and Danny Martin in Fort Belvoir, Virginia. Tammy spent her summers between Alabama and Virginia with both of her grandparents who loved her dearly. Even at a young age she had a deep devotion for Our Lord and Savior, never meeting a stranger or missing an opportunity to tell others about the grace and love the Lord offered. Later in life Tammy developed a rare form of tonsil cancer and won that battle in 2009. Even during her battle, she kept a smile on her face, always trying to encourage others to stay positive and to look for the brighter things in life. No matter what she faced in life, she faced it head on and with faith that everything would turn out just how God intended it to.

Tammy was an inspiration to everyone she ever met, even the ones she touched through her social media accounts. She enjoyed spreading the love of Jesus, trying to build others up and always helped others in need by

donating to her many beloved charities. Her love for horses led her to The Wild Mustang Club, which she adored so much. She always had such a love for animals, owning squirrels, birds, cats, dogs, goats, and her beloved horse, Navy. Tammy spent most of her time at home painting and enjoying craft making. She was extremely talented with her paintings and crafts but like most, she did not believe her paintings and crafts were as amazing as everyone thought. She was a true nature lover and never passed up the opportunity for an adventure with her children and grandchildren. She touched many hearts during her life, and was a graceful soul. She always knew how to make you feel like everything would be okay just by giving you one of her priceless, warm hugs.

Tammy was a loving Daughter, Mother, Grandmother and Friend and a true warrior of God.

“ *Tammy was always such a sweet and gentle lady. Her artwork was amazing. We have a saw blade in our living room that she painted. It is even precious now. Praying for you all for peace and comfort. Imagine all the sights she is seeing to paint now!!*

“ Mom, words can not express how much I am going to miss you. All them nights sitting in the Livingroom watching our shows together and laughing at how dumb some of them were. You telling me to calm down and that everything would be okay. You listening to me vent about nothing or just talking about my future plans and the places we'd like to visit. I know they tell us not to cry when one passes away that we should rejoice instead, and part of me rejoices that you are free and healed, not more worries or fears but it is hard not to miss your mother. I promise to keep living and do as much as possible to let go and let God. You never had a mean bone in your body and always tried to do the right thing even if it didn't seem fair. You loved us all so very much and I am forever grateful for God giving you as my mother. I am going to miss you so much but I know you are happy up there with all the ones that went before you. Tell Dustin we miss him and to behave, I'm pretty sure he is still a handful up there as well.
