“ Truly a one of a kind woman. I had the pleasure of knowing Mrs. Newton all my life, she was a bright spot in all of our lives and I will dearly miss her infectious laugh and smile. I will always remember her creativity, how you could watch her whip up a work of art so effortlessly. I will also remember how fierce of a friend she was, you could always count on her to be a confidant, a shoulder to lean on, or give you a laugh when you needed it most. My prayers are with her precious family and friends, we are feeling the pain of the loss of an amazing woman.

“ I first met Tammy and her family at Sparta Academy in Evergreen AL . What a sweet and kind girl she was and grew up to be a fine Christian lady. To the family , I am saddened to hear of your loss - she was much too young to leave this earth but I'm sure Jesus had other plans for her. God Bless you all.

“Lenny, Chad, Cat, Jimmy and family there are no words to express how broken hearted we are with Tammy passing away. You all are very special to our family, and our thoughts and prayers are with you all during this time. It has been said that, “when we lose someone we love they become an Angel we know and that our memories of them become a treasure.” We loved Tammy very much and it has been a blessing to know and love her!
