“ Dear Uncle Donald, Don Jr, Roger, Tony, Dionne & Eddie,  
Daughter-in-laws, grandchildren & Great Grandchildren,  
We know it's been difficult watching Teresa go through so many difficult times with her health over the last many years. She loved each of you, with heart and soul! God speed for peace; and may he bring you love with every hug received. We love you; and you're all in our thoughts and prayers.  
Love,

“ Even as my heart is hurting, my heart and prayers go out to each one of you guys! I am so sorry that I can't physically be there with you guys but I continue to lift all of you up in prayer many times a day! Time does bring us healing and in the passing of time we will look back and smile and even laugh at the good memories that we have of Teresa! I pray that each one of you will feel God's Loving Presence, Grace, Strength, Comfort and Peace as you continue on your journey of life and know that one day we will all be reunited in our heavenly home where there will be no pain, no suffering, no sorrow, only the happiness and joy of being together with God and each other! God's blessings-Love and prayers!

“ She was in my life since I was 2 years old and she was the best grandmother. Her baking was my favorite I loved sleeping over and making cakes and goodies when I was young. I will forever remember her and love her.

“ *When I was 16. Aunt Theresa and uncle Donald moved to Florida. I had the privelege of driving their car, I think it was a 1972 Monte Carlo. I always wanted a Monte Carlo after that. She will be so missed. Oh she made the very best ice tea in the world.*
