“ Chris remembers Granny typing on a typewriter at work in 2008, she really disliked the computers. Krystal remembers Granny asking her to make spinach dip so that she could secretly eat it all by herself without telling the rest of the family she had her favorite spinach dip.

Granny was a Spitfire full of life and energy. She loved Walmart. Every time we would run into Granny she would talk about what she had bought at Walmart.

I asked that God give peace to the Nost family as they mourn the loss of their loved ones Teresa Holland. May they find comfort in these few short happy memories of Granny.

With deepest sympathies ,  
Chris, Krystal & Kyle Brookover

“ My memories of Teresa and Bobby Hollon reach back through most of my life. They bring smiles for the laughter, stories and good times. Teresa was a character, always with a smile and youthful attitude. I think she enjoyed everything life took her through. She was a survivor, she loved her children and was a great "Granny." I am sorry for your loss Shelia and Ron and Robby and Kim, hold on to those good times and know that you were loving and devoted children. I love you all.

*Sending prayers and love to Aunt Teresa's family. She was a tiny little person with a sweet smile. I remember she liked to joke and laugh too. Love, Carole.*
