“ *I've known Teresa 25 plus years we worked together years ago had a lot of good times I'm 17 years younger than her but that didn't matter she treated you as a equal. She loved her family so much. She was the fun mom to hang out with and tried to keep everyone on the straight and narrow. I know she is rejoicing in HEAVEN today to be reunited with her angels Jason, Mark and Mrs. Turner. Though I know she will be missed here she will always be in our memories and presence. Barry and Anthony, My heart truly goes out to you and your families during this very difficult time just know your mom loved you with everything she was.... Until We Meet Again My Friend FLY HIGH .*

“ *In the short time I got to know "Sissy" I found her to be a kind-hearted soul who seemed to love her family more than anything in this world. I'm sure she will be greatly missed by all of her love ones. May God bless them with the peace and comfort that only He can provide through this period of grief and bereavement.
My heart, love, and prayers go out to y'all*

“ *When I think of you, Teresa, I think of lazy, hot summer days sitting with you on the Ellis' front porch, watching April, Barry, and Jason climb all over Mamaw and Papaw. I think of tall, cold glasses of lemonade and shared laughter and stories. I think of planning Christmas for the kids while stuffing ourselves with 4th of July homemade ice cream. When I think of you, I smile and remember the happy times. One of these days we will meet again and pick up those stories where we left off. Until then, rest in peace, my friend.*
