“ *Wanted to share a little known fact about Eddie. He proposed to me after we had only been dating 9 weeks. I immediately said, "yes" even though we had only been dating for a little over two months. When it's true love, you know it!*
Soooo Many of both of our families, said it was a mistake and wouldn't last because I was too young. Boy, did Eddie and I ever enjoy the last laugh, when we celebrated our 40th Wedding Anniversary last September 2, 2023!!
