“ *Although I hadn't seen Tommy in years, I spent many hours with him fishing on the Alabama river and when he worked for Prattville Marine, he was an excellent fisherman and a good outboard mechanic. He will be missed by many.*

I remember when Tommy was born....a little blued, blonde baby boy. I have not seen him in years, but he played with my brother when they were little. I was much older but remember him at family reunions and holidays growing up. He was shy as a young man but as handsome as he was quiet. He will be missed by his family and I send my love to his three sisters whom I know and love. Betty Thompson Lord
