“ I am at loss for words! This man was one of the kindness men I have been around! He was always wearing a smile, giving a hug, encouraging me about everything, and complimenting me on the raising of my son Hunter! Hunter would always come home after working with Todd at the machine shop and talk about this wonderful guy! I finally got the opportunity to meet Todd and immediately knew what Hunter saw in this small statue of a man.... A HUGE, KIND HEART! May God bless you and we will miss you! You will not be forgotten! Amy Lyles

“ *It will never be the same when I walk into Messiah Church. Todd was always there with a hug and a smile. He would bring me a bottle of water and Gary a cup of coffee that was 2/3 full. He knew Gary has Parkinsons' Disease and he didn't want him to shake and burn himself. He was such a loving and thoughtful man. I have lost a friend and will miss him very much. Our thoughts and prayers are with his family that he loved so much. I know I will see him again one day.*

It has been more than a week since we had to say goodbye to Todd. I am still in shock. Todd was a person that was larger than life and loved everyone he met. I can find peace in knowing that he is in the arms of his mother however, those who are here are deeply saddened and are at a loss. My love, thoughts, and prayers are with Angela, Donald, Lucky, Pete, Krystal, Josh, and the rest of the family. Todd, you will be loved and missed dearly.
