“ *Tracy was a member of our chapter of Epsilon Sigma Alpha for a short time several years ago; however, she was a blessing to us during that time, and we missed her when she had to leave. There are those who touch our lives for only a short while but their presence during that time leaves a positive impression on us for life. Tracy was one of those people.*

“ *To the family: May the comfort from family and friends strengthen you during this difficult time, and may you find comfort in the words found in the Holy Scriptures: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."*

“ *I will always remember Tracey for her kind heart. They say you know who your friends are because they are the people who are there when you need them, they offer themselves to you without asking anything in return. Tracey was that kind of friend. When she was first diagnosed, her concern was more for making sure everyone else was okay. I will miss her.*
