“ When asked how she was, Ms. Una always answered "Just as mean as ever!" I can't imagine her ever being mean. She was always smiling and had kind words for others (and shared her peppermints in church with those around her). I consider it a blessing to just have known her. She will be missed but you have an abundance of great memories of her. May our Lord shower your family with comfort at this time and in the days to come.

“ I only talked with Mrs. Hester one time and that was many years ago when we were members of Camelia Baptist Church. She was very sweet and we talked about Danny and Charlie at length. Danny graduated with Chuck and I and I had the pleasure of working with him when I worked at Winn Dixie. We came to know Charlie from Moncriefs. Later we met Frank and Sally. Mrs. Hester you did a fine job raising your sons. I know you will be missed. But you will see each other again one day. And we all know you will be waiting to help welcome them one day. May God bless all of you during this time of loss.
In Christ,
