“ My thoughts & prayers are with the family! Vera was one of the first people I meet when I moved to Prattville, back in 1971. Vera & I worked together at Sears in Prattville. Vera had me in her home many times. We became close to Chris & went to church with Jeff for many years! Harland & Vera were dear friends & we will miss them greatly.

“ I first met Vera and Harland Donaldson as a young girl when I attended Crestview Baptist Church in Prattville. My parents and the Donaldson's became close friends. We spent many days at their home and on vacation with the family. Dawn , Jeff and Chris are dear to me as well and will be in my prayers. Love to you all ...Lovely Vera will be missed but we will see her again one day as Jesus promised.
