“ Vera had many friends throughout the insurance industry. Those in Insurance Women of Montgomery (locally, regionally and national) were always fond of Vera. She was a mentor to me and always enjoyed going to conferences where she and Hendon were there. My husband has great memories of them both. Judy and Rusty Payne, Montgomery

“ James and family of Vera. Please know how much I care for you right now as you go through this loss. She has just gone to sleep for a while without feelings, like we all will do until Glory. I don't know if that is worthy, but it makes me feel better. I knew Vera a long time ago through Insurance Women of Montgomery...basically, a meeting and let's go have a drink! Vera was so delightful...she was...because I could never forget her after I heard about the car wreck. She will bless you all for a long time. Love, Brenda Reese and many hugs.

“ *I am so sorry for the loss of your Mother. She was such a gracious lady and so kind to everyone. She and your Father were great friends to my parents and to me when I lost my parents. If there is anything I can do, please let me know. Keeping the entire family in my thoughts and prayers.*
