“ Michiko and I send our deepest sympathies, Verle was great brother-in-law, I'll always remember the day of flying in his plane, landing with Joyce using the car lights to light the field on the farm. I'm sorry we could not get down there to be with his family.

“ Seems that right from the beginning that we were all good friends. We had lots of good times together, camping, fishing, snowmobiling, motorcycling, you name it we seemed to do it. Verle will definitely be missed but I bet Bob and Verle are having a good gettogether up there.
