“ Where to start I've known Mike and Tara Bishop for years and I was able to meet Gene and Sarah and their kids along the way Gene was always a funny guy always fun to be around he was a hard worker he provided for his family and would always lend a hand help anyone I know he's a man of faith and I know he'll be in heaven with our father I pray for the family while they are grieving that they can put their faith in the good Lord knowing that Gene is home and they will see him one day Gina was great knowing you brother you was always a good guy to be around I hate to see you go little Lord had different plans for you and he called you home brother rest well friend fly high brother will see you again someday I pray for Sarah and the kids that they know in their heart that Gene is with our father and as well and I pray that their grief can be an easy transition into knowing where he's at from the dishmon family we love y'all and we will keep you all in our prayers for the rest of our lives thank you sincerely the dishmon family to the Blankenship family and the bishop family we love y'all
