Met PoBoy in 1962. He had been hired at WMGY and i was honored to follow later. A Giant of a talent...as a Country radio DJ and Country singer and musician....he offered great support to others . He was a great friend who will sorely be missed. John Moore.

He was definitely one of a kind. He worked hard to provide for his family. He helped others so many times when he didn't really have money to spare. We had so much fun with his 3 children and my niece and 2 nephews in early years. Then came 4 grandchildren we enjoyed and loved so much. Wayne was absolutely one of the best singers I have ever heard. Our life together for 61 years was sometimes good, sometimes turmoil, but somehow we survived it together. In later years he was still funny& witty. I miss you so much, my singing cowboy!!
