“ *My family and I had the pleasure of living next door to them when we lived in Prattville. What a precious family and the love they had for God was fierce and inspiring. Although Wayne will be missed, there is no doubt he is in the presence of our loving God. We love you Wayne and we'll see you when we get home!* ”

“ *Barbara, Marc, Cassie and Hodge Family,
This came as a shock to me. I have had the pleasure to help Mark with his Tax Preparation for many years. Our appointment times were always very pleasant and he never failed to be concerned about you, Barbara, and your health. Please know that I care deeply and will pray for the Wonderful Peace that only Jesus brings to comfort you.*

Worked with Wayne for 12 years at Union Camp. He was the most kindest person I have ever met. I saw him at a pharmacy not too many weeks ago and he was still just as kind as he always was, knowing he was not feeling well. He is free from pain and singing with the angels now. Proud to have known him for the 12 years that I worked with him and seeing him many times at Walmart since. Thoughts and prayers go out to the family in the coming days. We are never ready to let go, but God knows when to take his children home.
