“ I'm so sorry to hear this. Me and all my co-workers followed Wayne wherever he worked. He was the only one we trusted to tell us the truth about what our autos needed. He will be greatly missed. Rest well Wayne.

“ Wayne has been a friend of mine for close to 15 years, but for the past 3 or 4, he'd become someone I'd go to if I was having a bad day and he'd make me smile. He ALWAYS made me feel better than I did when I walked through his door! He'd make sure I was ok when it was him that had been in the hospital or been sick. He became a father figure, mentor, confidante, and the best advice giver I knew!! He was family. Heaven gained a caring, loving, beautiful soul with Wayne.
